OFFICIAL

Applicant hereby Petitions for the revival of the subject Application which became abandoned due to error by the U.S. Mail or by the U.S. Patent and Trademark Office; or alternatively, for Withdrawal of the Final Rejection.

REMARKS

The Examiner is thanked for his constructive assistance during a telephone discussion on 31 July 2003. Pursuant to that discussion, Counsel submits a Declaration verifying the facts stated in the previous Petition, as well as, the facts

of the personal preparation and personal mailing of a fully responsive Amendment on 20 September 2002. As a result, it is believed to be clear that the Amendment of 20 September never reached the Examiner, through no fault of Applicant, and that the subject Application should be revived with the Prosecution resumed on the basis of said Amendment.

Respectfully submitted,
